AGENDA SUMMARY

NEW BUSINESS

- 1) **Final Plat:** Review and approval recommendation of the MMFCU final plat. Staff and City Attorney have reviewed the final plat and recommend approval.

UNFINISHED BUSINESS

- 2) **Tiny Homes:** I have included a draft zoning Code change as we have discussed in previous meetings. The Planning Commission can review and discuss draft definition and zoning code for tiny houses. I have sent the draft copies of these proposed Code changes to City Attorney Jeff Pederson for possible changes or additions. If Jeff has an opinion by the meeting date, the Planning Commission will be able to take action, otherwise it will go on the next Agenda for recommendation to the City Council.
